Favourite Hobbies!

some of my fav things to do:

football

- I train muay thai every other day at half 6 to half 7 in the morning, i find theres theres no better way to start the day! I also run everyday at least 5km! Ive noticed im not myself when i dont get my run in!

When all my traning and college work is done, if i have the time i will play a few games on my pc like arc raiders or cs2!
